Dear Cardholder

### CPCS Competent Operator smart card

We are pleased to enclose your CPCS Competent Operator smart card. Please check that all your details are correctly displayed on the card.

In the event that any of the details are incorrect, please let us know by emailing a member of our team at [cpcs@jobcards.org](mailto:cpcs@jobcards.org) within 14 working days of receiving your card.

If this is your first Competent Operator card, you will shortly receive your free-of-charge Logbook (which will be sent to your home address). If you choose to record your hours using the Logbook renewal option, please ensure that you keep it safe as it may be required for audit purposes. Action can be taken if it's found that your Logbook has not met Scheme requirements.

If this is not your first Competent Operator card (i.e. it has just been renewed or categories have been added), you can; use your existing Logbook, download additional pages from the website, or purchase a further Logbook by calling the CPCS Helpline on 0300 999 1177 opt 1, opt 1.

**Please note: if you have added categories to an existing CPCS Competent Operator smart card the new categories will have the same expiry date as the original CPCS Competent Operator smart card.**

You or your employer can now check the validation of your card by visiting our Online Card Checker at [www.nocnjobcards.org/cpcs](http://www.nocnjobcards.org/cpcs). You can also tap your smart card on any NFC enabled device to see your information displayed. Please see our website for more information.

For further details about CPCS please visit our website at [www.nocnjobcards.org/cpcs](http://www.nocnjobcards.org/cpcs).

It is important for you to keep us up to date of any changes to your contact details so that your renewal is sent out correctly. When contacting us quote your CPCS Registration Number and our team will be happy to help.
